The tendered rate should be for work to be done as per standard specifications approved by the Department and for using the best quality of the materials. If new items of work not provided for in the estimate are to be carried out while executing the work, the rate to be paid for such items will be as per departmental schedule rate calculated on the basis of materials and labour cost.

The tenderers shall not make any request to treat the arrears of amount due to them by the Government as earnest money.

The work should be completed in all respects within a fortnight from the date of acceptance of tender.

The quantities as estimated are only approximate and are liable to alterations, omissions, deductions or additions, at the discretion of the undersigned. The tendered rates will hold good for any quantity whether higher or lower than those estimated for.

The right of rejection of any or all the tenders without assigning reason therefor, rests with the undersigned.

Within eight days of acceptance of the tender, the successful tenderer will be requested to execute the agreement in the departmental schedule contract form for the due fulfilment of the contract.
